## WHISTLE BLOWER POLICY/VIGIL MECHANISM

### BACKGROUND

1. Section 177 of the Companies Act, 2013 requires every Listed company and such class or classes of companies, as may be prescribed to establish a vigil mechanism for the directors and employees to report genuine concerns in such manner as may be prescribed. The Company has adopted a "Code of Conduct" ("Code"), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the company. Such a vigil mechanism shall provide for adequate safeguards against victimization of persons who use such mechanism and also make provision for direct access to the chairperson of the Audit Committee in appropriate or exceptional cases.

2. Clause 49 of the Listing agreement between listed companies and the stock exchanges, inter alia, provides for a non-mandatory requirement for all listed companies to establish a mechanism called "Whistle Blower policy" for employees to report to the management instances of unethical behavior, actual or suspected, fraud or violation of the company's code of conduct.

3. Under these circumstances, Hisar Spinning Mills Limited, being a Listed company proposes to establish a Whistle blower policy/Vigil Mechanism and to formulate a policy for the same.

### POLICY OBJECTIVES

1. A Whistle Blower/Vigil Mechanism provides a channel to the employees to report to the management concerns about unethical behavior, actual or suspected fraud or violation of the Code of conduct. The mechanism provides for adequate safeguards against victimization of employees to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in exceptional cases.

2. This neither releases employees from their duty of confidentiality in the course of their work nor can it be used as a route for raising malicious or unfounded allegations against people in authority and/or colleagues in general.

### SCOPE OF THE POLICY

This Policy covers malpractices and events which have taken place/suspected to have taken place, misuse or abuse of authority, fraud or suspected fraud, violation of company rules, manipulations, negligence causing danger to public health and safety, misappropriation of monies, and other matters or activity on account of which the interest of the company is affected and formally reported by whistle blowers concerning its employees.
